Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

1. I, the undersigned attorney of record in the above-captioned patent application, hereby apply to the Commissioner to withdraw as the attorney of record in this application.

2. I have spoken with the inventors representative and verified their prior agreement that if my office action responses did not result in some indication of allowance that you would very likely be unwilling to continue with the case.

3. The inventors representative verified that I would take no further action in the file and that I would return the files (which is done simultaneous with the withdrawal request in this case).

4. This withdrawal is being done for record purposes and to show that I have complied with the inventors standing direction.

5. In the letter, I was directed to the following address, which is still believed to be a good address for the applicants:

Stan Routt
S.stanroutt@verizon.net
3095 Linden Avenue
Long Beach, 90807

H: (562) 427-2004
W: (213) 324-5024

Hermilo Rubio
2630 Fashion
Long Beach, 90810

H: (562) 989-3868

6. Having received instructions above, it would not be fair nor possible for me to continue as attorney of record in this case.

7. I believe that I will be harmed if I were to continue to assume responsibility in any way over this application, and that the client would be harmed also. Specifically, if this application for withdrawal is not approved, then our professional and ethical obligations as attorneys would force us to expend additional time and resources on behalf of the Applicants in monitoring the status of this application and responding to any and all office actions as they arose, EVEN WITHOUT ANY DIRECTION FROM THE CLIENT. Therefore, without an affirmative communication to AT ALL, I MUST WITHDRAW.

8. This request is made more than one month from the expiration of the final office action. Thus, my withdrawal at this time will not prejudice Applicant's position and will afford Applicants sufficient time to seek substitute counsel on a timely basis.

9. Once the application for our withdrawal is approved, kindly direct all future correspondence regarding this application to the assignee at its present principal place of business:

3095 Linden Avenue
Long Beach, 90807

H: (562) 427-2004
W: (213) 324-5024

10. The file is being returned to the Applicant by regular mail on the same mailing date as this request.

In conclusion, I earnestly solicit the Commissioner's prompt consideration and approval of this application to withdraw.

Dated: November 21, 2005

Respectfully submitted:
